ASSEMBLY TACKLES RELIEF BILL TONIGHT

\$15,000,000 Appropriation Up for Consideration as Thursday Deadline Nears.

33,000

He was taken felo custody on Fost Uniter street about 11.50 neleck Saturday night in an automobile belonging to Reith Gelaugh of Morral, and allegedly stolen from a patting place on North Main street between 6.30 and 8.15 nelock. The automobile was returned to its aware. The accused youth, policy said, had been accested on shoular charges on two other accessions the was arrested May 8, 1831, for nutrinobile stealing and turned over to the juvenile court and was arrested. By The Associated Press COLEMBUS, O. April 12—The thin general assembly will end its referent recess ionight, determined a react legislation appropriating \$15,000,000 for a two-year relief pri

grp measure explice
While the sensite was scheduled to tueste with the relief problem which approached a crisis the house prepared to take up nearly a ducen bills of leaves importance The grand jury previously did not return an indictment against him, authorities said today

for the remainder of this generated \$8,000,000 for 1913 Local power-ments would provide \$5,000,000 disting the bulance of the year and \$12,000,000 in 1938.

The hill is a revision of a measurement when the power and the power are according to the power and the power are according to the power and the power are power to the power The hill is a revision of a measure recently passed by the house which would have provided \$17,000, 000 for the rest of 1937 with state and toent governments funishing \$8,000,000 each Should the bill in its revised form pass the senate, house renewrence in the changes will be necessary for enactment. Gov. Martin L. Davey has asserted, however, that new tax sources must be found to provide the state's share of relief money.

trolman Althur G. Sponeel, 58, died today making an investigation over comy making an investigation while off duty. His bods, with a builet through the heart, was found before dawn in a parishing tot al the Niles Toul Works Co. and so far has declined to reconninid similar levies for bent gov-ernments to raise their share. The governor has taken the stand

that the legislature's sale duty is to find the sources after it has been advised how much will be needed but he has suggested excise levies for counties and municipalities to

handle brandlshing march toward international headquarters three blocks away.

As they rearrhed international hall, a man broke ranks, smasned a union building window immediately there was a burst of gunfire from inside.

Three marchies dropped wound ed. Others, confused, fled in all directions. A few picked up their fallen comrades.

Sincke bombs, apparently heried by marchers, smashed against the union hall. None went inside and the smoke only added to confusion in the street.

Two or three buillets stuck the front of a theater across the ettect and matince fans fled through a rear door.

No one thought of the men in the half for several minutes, livestigation then disclosed they must fled down an outside starway into an alley. Their number was generally estimated at from 12 to 15.

guard against colds and other in tections.

In most instance the physician prescribes some other form of treatment. This is quite different from the method of a generation ago. The field time practifione for the sorted allmost daily to the use of bitter tonics and other concettion, for their alleged value in stending the appetite and correcting discribed invokes.

The doctor has learned that a tention to the det improvement in the daily habits taking ample hours of rest and relevations are a sential to health and far more necessars than medicine. Surely little help can be obtained by the taking of a tonic and at the same time ignoring the need of a wait selected dail. Improvement in the selected dail. time ignoring the need of a well elected dist Improvement in he selected dist improvement in ne act by the addition of abundant vegetables fresh fruits and other foods rich in vitamins and minerals will do far more than any tonic ever put up in pill powder or bertle.

tonic ever put up in null powder of bottle

A common and unwise practice is the use of indigestion tablets for the relief of gas heartburn and other digestive distirbance. Follow the advise of the dector who will wish to correct your dist and rating habits. He will talk about this before thinking of any medication. If the disconfort continues in spite of careful die ing an X-ray examination will aid the physician. A tonic should not be self piescalled to a sense of excurity when something seniously wrong it orying out for altention. You have often heard somebody say. I need a tonic when entirely different tanger of self medication. Of course, the daily use of collier oil for the rowing infant.

certoed for a condition when a not understood list taking may lead to a sense of security when something seriously wrong is crying out for alternion you have often heard somebody wat I need a tonic when entirely different teatment is needed. That is the danger of self medication. Of course the daily use of cod liver oil for the knowing infant and young child its a different mat ter. White it is true that cod liver oil is in a sense a tonic it is really a food a valuable addition to the diet. I contains certain ingredlents exeential to the growth of strong and sturdy bones. If you feel below pa and think you freel a tonic consult with your doctor. The me e fast that you believe a tonic is necessary is a pretty good sign of needed medi.

Second lears To Run

For all principal purposes therefore un as there is a result on the part of terr who understand the implications of what is goir, on the present cycle will run its course. The present sycle may run see

the course. The present space may tun averal series jet.

The only checks upon it other than a solery checks on it be such economic important to make the few maximizes in bring home the true meaning of a one man east the true meaning of a one man east series.

colineries as may tries to bring home the true meaning of an entering of an entering of an entering and incominute goal has broad a new focusite to experiments of our man control early (so-sibly reach death into the whole economic system overlight not train they stop the sibly reach death into the whole economic system overlight not train they stop the nutrial restoration for many stop the nutrial restoration for early and train and other shortages due to long verus of lepre shortages due to the horizon today just man there were in 192° and 1928 eights that meant untowned hut populate we of three years becomed but not the next month. Thus the long range stustion may be cloudy but the short range situation may be cloudy but the short range situation will have a bid, the storm appearance for two or possibly three years. The condition of the feleral budget is a signal of trouble visible at long distance. The sit down strikes are likewise symptoms of long range difficulties. At the moment as the government by its own policies forces labor coads upward prices are running shead faster. Than wages. This means eventual furniship for the wage carrier but it will not be felt in all items of the house haid in terms of votein resentent for the surface of the house haid in terms of votein resentent for the surface of the house haid in the couple 3 vives or more.

As for se with values bonds are directly related in the type as to what the knycenment does. Government bonds are at the mannent fluctuating somewhat in in a few days a reassuring statement will be made on the hudget my situation doubt less an announcement of some curvail ments in expense which however sligh will be received with considerable optimis in the government expert are wrong in their elimits of tax receipts.

It if (outrol.)

Tri Control
The liggest item on the government callendar is price control blowly our one my government letter in gloward it Price centrol takes a loss, while to get into mecentral takes a long while to get into motion. It is some times a year of two before its file fleet are left. Legislative pour to fix prices is already available to our to fix prices is already available to our one man government in the matter of coal but an indirect power to fix all prices has dix land and of the way the government handles its own purchases margines through the Walsh Heley law. Just as one in used to come a commulity market be having a substantial handent of stock or grain in his hands so the extinuert with the wast purchasing power of a lands putting no effect a trie dix stimet with he was purentiating power as a limits putting not offert a rife of lag being which will fend showly to the vice all pilees. I forts to keep pitter diwn will be made by effectal partners and to some tegetion of public bids and by a concell, with professions. general outling a out professe but speeches against high prices do not as a sule affect those wan put higher lags on the matches of match andre for the lighteenth century. France found it necessity to short store keepers so as to control to the control of the lighteenth century. und even that didn't work becauottes prices soon tool the place of of

Cooky Jar Still Gauges Household's Hospitality

AMBOU OF HOSLITALITY

It's a good idea to keep on hand a variety of couldenof them says Mrs. Alexander Courge special foods writer. In Lecooks jar are chocolitic fromnics refrigerator spice squares and

dinary food as Profesor Willia 1

H. E. Reid of the University of Missouri Ira cambohydrates fats proticina vitam as and even some mineral matter. It is more than an iordinary food and is no longer on sidered at items of a irun-t is should be placed on the same list with our or her stape foods.

Of special interest to the figure-conscious adult however is the official ediet that lee cream is a heal in product no a fat producing food Authorities conside thit it is dangerous and coults to iry to fool nature and that the bods to remain sound and healthy also lutch demands certain essential vitamina as well's in inscle building its-ue building foods.

A diet which fa is in such essential remainance mild foods is certain to bring on a run-down condition aside from the susceptibility to disease.

I set of of experimenting with radical 18-day diets for instance willo Hastings director of the physical culture food research labara tory suggests a pint of inc cream brain and leafy shade with mineral off dressing.

Of this diet is half pint of fee cream will supply you with as much calcium for you reteat halbones as one and one half pounds of the colosy bow which are in the cappointer and colored time in the place of the fam of the cream will supply you with as much calcium for you reteat halbones as one and one half pounds of the color time in preparation of bread four pounds of meat on three and much all pounds of the color time in preparation to there and an entall pounds of the color time in preparation to the color time in preparation to the color time in preparation to the color time in preparation of the color time in preparation to the color time Aid the rest of the ingredients and mix lightly Shape into a roll or press into a butterel load pen Chill 24 hours or longe Unmoid and cut off silces or treak aff bits and flatten down 3 inches apart on greaaed baking sheet Bake 10 minutes in a moderate over (1 wolfirds of a cup of nuts and rulens may be added)

Deferred Payments Help To Meet Funeral Expenses

As a further service to the community, The Schallner-Denser Co. has provided a Deferred Payment Plan. Those not in a position to make so great an outlar of cash as the cost of a funeral may use this plan.

The Deferred Payment Plan, which has been in operation for some months, is a simple plan of payments over an extended period and without the penalty of a carrying charge. The same interest rate that you would pay in a bank is the only charge made.

Payment Plan, combined with our wide taken of prices for fuperale, brings Schaffner-Denzen Femeral Service more

reach of any lamily. se desiring further information are invited to cally. There is neither Th

nor chilestion to employ our service when seeded.

Without free alpos request.
